Student Safety

Mandatory for students in K-4, Kindergarten, and First-Grade Students Only.

The transportation provider is not legally responsible to insure that anyone is at the bus stop at the time a student is discharged from the school bus. However, it is a best practice to transfer custody of students in grades K4-1 directly to a responsible adult at the bus stop. In practice this means that if an authorized adult is not at the stop at the scheduled drop-off time, the student will not be permitted to exit the bus and will be returned to the school until an authorized adult can be located.
